“ *I just found out the other day. I have been trying to 'find' Korki for about 10 years. We were friends way back when we were teenagers. She lived across the street from my dad. Even though I hadn't seen her in many years, she has always been in my heart and thoughts--and she always will be. I wish I could have found her sooner.*

My deepest respects for her family.

“ *I remember my girls getting off the bus telling me how cool there bus driver was and that we would get along. Well i finally got to meet the wonderful KORKI . I can tell you she is everthing the girld said , full of spit and vinigar . It took KORKI 2 years to share Cody with us . But those 2 years she became my best friend. We were like the 2 musketers . She would always tell me YOU LOVE DONT YOU ! and curl up her lips as if she was waiting for a kiss like a little girl. We went places together and had so much fun I will always remember KORKI with love . My prayers are with you all . WITH ALL MY LOVE TINA PARTIN###imported-begin##Tina Partin##imported-end##*
