“ *So shocked when I saw this, very hard to think about things like this happening to young people. Remember when she was just a tiny little girl at Ebenezer Baptist Church and we were friends with Sallie Mae and Harold. They even stopped by here for years when they would go to a family reunion down below us. Was very hard when I saw where Sallie Mae had passed I think last year and now her baby, May God be with all of you and PLEASE stay safe .*

“ I'm so heartbroken with the loss of Cristi. She was the best cousin anyone could have! I have so many sweet childhood memories growing up with her. We all had so much fun! I'm glad we were able to stay in touch over the years. She was my Gamecock sister! Her smile was infectious, and even though I didn't see her often, she crossed my mind a lot because she had such a positive attitude and outlook; she was a joy and to be around. Harold, Alice, Diane, Stanley, and Bo, I know your hearts are broken too. Remember, God has a plan, and His plans are perfect. You will see her again one day. RIP my sweet, beautiful cousin. I'll miss you!

“ So sorry to hear of Cristi’s untimely passing . My thoughts and prayers go out to Stanley and entire family . She and Stanley both worked with me and met there at Davis Brothers Lumber . Cristi was always cheerful and pleasant to work with and had a great sense of humor . She brightened up the office even when things weren’t going great. She left way too soon and will be missed by all that knew her. I have lost two of my former work mates within one week.

“Cristi, my second mom growing up. I am devastated to hear of your passing. Roads can change directions over time but friends always cross paths again. I remember a conversation we had one time when my mom got roses at work at Avondale. They were on her desk and I came bebopping in after school and I said- "one day a boy is going to send me roses- and you laughed and said my girl you will always be prettier than a rose."

I am so thankful for memories of Christmas presents and collections of Trolls we shared, always being mine and moms passenger seat Halloween buddy and concerts with you were always a blast. You never missed a baby shower, birthday- or a time to say congrats on anything big that happened in my life. You will be sorely missed and this hole will not mend for a long time. cheers- and please let me know if we still need to hide our mini-bottles in our socks in heaven. I love you.
