“ *Tom and I had the privilege of attending church and singing in the Joy Singers Senior Choir with Crystal. She was such a sweet person; always smiling and giving a hug to others. It's reassuring to know that we will see Crystal again one day. Gone but not forgotten*

“ Heaven surely has a new angel! Crystal was my Sunday School teacher at Central First Baptist several years ago, as well as my mentor. I will forever think of her as the best example of a beautiful Godly woman. I don't think I ever saw her without her infectious smile. What a ray of sunshine! I saw her at the tea at College Street Baptist in April and spoke with her. Thank God for that opportunity.

I thank God for her and for the eternal hope He gives us to see her and be with her again one day.

My thoughts and prayers are with you all.

“ *Crystal was one of the first people Frances and I met when we moved our family to Seneca 44 years ago, and David and Pam immediately began their life together, so we have been family for lo these many years and share grandchildren and great-grandchildren. She was also one of Mary Frances' great friends and her Sunday School teacher for last few years of Frances' life and they worshiped God together, with a number of other wonderful ladies at Seneca Baptist Church.*

Crystal and I have shared many happy times together at our children's home and with our shared great grandchildren. We loved Dan and Crystal and Pam and Phil over these many years. She and Dan were a great blessing and influence on all the people they met and worshiped with at the churches they served.

I also had the pleasure of knowing her brother Rev. Curtis Waters, who we heard and met at revivals in Granada Hills, California and in Stone Mountain, Georgia, then we ended up at Bountyland Baptist here in Seneca, and here was his sister, Crystal.

We will miss her smile, her laugh, and her influence.
