“ *Best neighbor and friend anyone could ask for. Very hard working and dedicated to his family. Shared many fond memories of working in Texas and Nevada. Yearned to go gold mining in Colorado. Loved to fish and tell tales. He is sorely missed. Rest in Peace brother, plan to see you again before long walking those streets of gold.*

I miss you so much. Character, integrity, honest, hard working. Best dad and grandfather. I love you...Losing you made another big hole in my heart. Tell Kylie I miss her every single day just as much as the first day. Curtis and Kylie always in my heart and soul. Memories never die.

Thinking of you so much. They don't make men like you anymore. One of a kind. Never could have asked for a better grandfather to my child. So special. No one will ever take that away. Memories live on and on
