“ My favorite memory of Mama C. was seeing the joy and excitement on her face both times we told her she was getting a new grandbaby. She loved her grandchildren deeply and they brought her so much joy. Spoiling them was one of her favorite things to do. I promise we will continue to keep the swimming pool filled with kids, spoil these kids rotten, and sing them “You Are My Sunshine” for you. Love, Jed, Amy, Carter, & Tessa

“ June 4, 2019 is the day Cindi and I discovered one another through Ancestry. When she told me she always knew she had a sister out there, my heart leapt with so much joy, and my life changed forever. It is indescribable how you haven't known someone your entire life but instantly feel so close and have so much love for them. I cherish the time I have had with Cindi.

“ One of my favorite memories of Cindi was when Alicia was a
toddler, Cindi would tell her “you drive me nuts!” One day Alicia
went to her room and right before she slammed the door, she told
her mom, “You drive me nuts!” Cindi was laughing so hard. Her
personality and the ability to see the humor in a lot of situations was
great! I will miss her so much!!

“ Aunt Cindy was always upbeat and positive. She had a big heart
and I will miss her. I remember watching my cousins when I was
little and aunt Cindy was always happy and so grateful. I love you
aunt Cindy say hi to dad for me. I’m happy that you are no longer
suffering but I will miss you when I could see you.
