“ I was recently working on the Dorchak branch of my family tree on Ancestry and came across a DNA match to Dallas. Apparently we are 4th Cousins and share 3rd Great Grandparents from the old Country. I was deeply saddened to learn of Dallas’ passing. I wish I had the opportunity to meet him. My Brother passed away some years ago at the age of 18, so I understand how difficult this for the family. Please accept my sincere condolences. I will be praying for you. Linda Clemens

“ Dallas was a fun, loving boy and young man. I have so many special memories of him even after they move to MO. Julie would keep me updated through pictures.. one of my favorite memories is always going to visit him and Leah at grandma and grandpa Dorchaks. Another after they moved to MO I would send him cute little outfits I could not pass up especially the little Dallas cowboy pants and jacket and the rocking horse at Christmas. So many memories. I could go on and on, but I will close now, but will forever keep Dallas in my heart. I love you Dallas. I can't imagine the things you are doing now in heaven. Julie, Leah and Ronnie and extended family my love and prayers are with you all.

You try to find words to express your true feelings. But words will never express what James and I felt for this kiddo. He could light up a room with his smile. He will always be James best friend:) Him and James could be a complete mess at times ha ha, but those memories will live in my heart:) They were always there for each other. When he came to visit he had an eye for photography. James took him for a ride along and he could truly capture nature, whether going down a prairie road taking pics of broken mailboxes or a sunset:) He rests with God and heaven gained an angel:) Heaven is brighter now!!
