“ *I remember that this young man always had a smile on his face,he loved life and you could tell. Always willing to help someone. Daniel is a Hero he put others first and sat was a example of that. Our families had been joined on sat,6th 2019 by the marriage if my son and his sister. Then we lost him sat,13th,2019 I liked him from the first timevi met him 2yrs ago. I feel cheated from getting to know him better because of this senseless tragedy. This world has lost a Hero a true genuine hero. Our loss is heavens gain. So young,to soon,so hard to say good bye. We love you Daniel ,youveill be missed by all who knew you. rest in peace daniel,till we meet again.* ”

“ I've had many years flowing the past couple of days, and then the memories of you sitting in the recliner, shaking your head to the music. Skateboarding, guitar hero, you and Justin blowing up the toilet with an m-9, the gathering spot "green box." Seeing you before you went to school with Justin and Mikey and then afterward when school let out, you staying here in GA with Justin for that week and he staying up there with you. And so so much more. One of the greatest people I'll ever have the pleasure to have known. To have known you, is to love you. It must be wonderful sitting at the feet of Jesus. Until we all meet again, we love you. Valissa, Justin, Gage, Emma and Phillip.
