“ Lisa,Michael,Madison,and Family-  
As you all know, Daniel will be missed ! My sympathy goes out to each and every one of you, and I wish there was something that I could do to help ease the pain. The only thing that I can do is to offer my love and support to each of you. I pray for you guys everyday, and I hope that time will help to ease your pain. I know one thing for sure-we can smile each time Clemson plays, because we know that Tommy Bowden will have a guardian angel-Daniel,the worlds biggest Clemson fan!! I love you Lisa!!

“ Mitchell and Jason , Words could never describe how my heart aches for the loss you two have suffered. I love you guys and think of you often. I have made sure to tell my kids all about the three of you and the trouble we could get into and the fun we had growing up. I can't tell you this will be an easy journey for you because it will not be but you will be in my prayers the whole way. Lean on the Lord he will be your best comfort!

Love You Guys!

“ Lisa, Scott and I have you in our prayers.. Scott of course remembers hanging out with Daniel in high school and I remember doing the same after Scott and I were married....The one thing I will always remember is when he would come into Blondies,He would always smile and say"Blondie How are we doing today?"We will miss that. But know that God is with you and this too shall be taken care you may never get over it and it may never be easy but always remember he loves you and is watching over you and those 2 wonderful children...We are here if you need us...The Williams Jacobs and Baldwin Family###imported-begin##Scott and Jennifer Williams and Family###imported-end##
