“ Danny was truly one of a kind. A man who (lived large as he would say) yet found his greatest joy in his family and friends and the simple things in life (his guitar and pickle song for instance..lol) Danny left a big impression on me. His smiling face will forever be engraved in my heart. I know there are no words that I can say to help heal your pain. I will pray that God sends angels to encamp all around you and hold you through this time of need. May God bless you all.###imported-begin###Pamela Stancil###imported-end###
