“ Dear Family of Danny,
I am so shocked at the passing of Danny.
He was a very nice gentleman and a fine christian man!
I used to attend Open Door Bapt. and he would bring the girls to the nursery for us to attend.
He had such a humble mannerism and gentle spirit.
I know you all will miss him but relish in the wonderful memories.
My prayer is for God to bless you all and keep you close to him, as I witnessed Danny coming to church each Sun. he would want you to continue.
My heart aches for each of you.
Love in Christ,

“ I grew up knowing Danny and his family having lived in Oconee County. You have my sincere sympathy and I pray God will give you comfort and peace during this time in your lives. There is no understanding why these things happen without warning, however we know that "To be absent from the body is to be present with God". I hope that you will take comfort in that thought even though your earthly bodies will continue to feel the loss. We never get over it but we do learn to live with it. May His peace carry you through.

Louise, Do you remember that day when I met Danny at a ballgame in Westminster when one of his daughters and my twin granddaughters were playing? Immediately when Danny learned I knew you from our teaching days in Westminster, he said, "Let me call her and I want you to speak with her... she would love to hear from you. " That he did and we had a nice conversation right then. That made Danny happy.
That action showed me that day that he really loved his mother and her friends were his friends.
