“ Vanessa, Keri and Hunter,

So sorry to see the passing of Danny. He was a wonderful person . I have fond memories of Danny from years past. Pulling for Walhalla Razorback over the years. I specifically remember when Dennis passed that Danny and Vanessa came to visitation . When Danny was speaking to me he made a comment about the items we had placed on Dennis's casket . He smiled and told me you forgot one thing. The radio and head phones because at football games Dennis always had a radio with Headphones listening to the game . Please know you are in my thoughts and prayers during this time. Carolyn SullivanSpight
