“Darin was a great young person who had lots of love to give and provided lots of laugh. I will always remember him as the person called me to talk about the traffic, world news, or just to talk about the day we'd both had. I'll never forget getting to know him high school sitting way up in the stands of the basketball games at the old WHS--and then later becoming the closest of friends. There are so many good times, and all of them are beautiful memories that I'll cherish forever.

Shirley and Angie - you have been heavy on my heart. I pray that you comfort finds you. I know that God has wrapped his arms around you to give you strength during this very difficult time. You are always in my thoughts and prayers.

I remember Darin as a well-behaved, smart, likeable, little second-grader in my class at S. Pine St. Elem. I have been fortunate to see him a few times in his adult life, and he had the same good manners and. his other good qualities, too. I am proud of his accomplishments and send my sympathy to his family. MaryLou Hamilton

I knew Darin first as a library patron at the Walhalla library when he was in high school, and later knew him personally when he worked in education. No one ever cared more about his students and his job.
