“ Darrell was a cousin of mine and I remember when they came home (back to Vandalia, Il) for Christmas. We would all get together and visit. Parent's played cards and the kids played games! Blessings to all of his family, always loved his smile and sence of humor!!

“ Dearest Ann: I was so sad to hear of Darrell's transition. I worked with him at the Patio & Fireside Store in Seneca. He was always cheerful, down to earth and loved to play practical jokes on us all, so of course when I had the opportunity to "TP" his car while he was still partying at Copper River with the rest of our gang - I did! He never retaliated but took it all in stride. He was always ready to lend a helping hand to those in need. I thank God for the time I did have to get know and to become friends with Darrell Carroll. I will miss him. Diane and Ray Labiendo.
