“ My sincere condolences to all the family. David was a wonderful classmate & I am honored that I got to see him in the last year. I had not seen him since high school. Everybody loved him. He was "a mess" as we say. RIP David...it was too soon.

*My dear friend Doc, what an amazing man you were, what a wonderful friend to John and I. I miss you already, Thursday nights will never be the same. Will miss making your coffee and seeing you drink it from your "cow tipping" cup. Go Rest High On That Mountain, buddy. You will forever be missed.*

*So shocked and saddened to hear about Dr. Carver. I always enjoyed seeing Dr. Carver in the ER at Cannon Memorial the last few years and greatly enjoyed the conversations we shared. Humble, kind and compassionate are just a few adjectives to describe the man I affectionately referred to as Dr. Santa Clause. I will miss seeing him around and miss those conversations. I send my thoughts and prayers to his family and friends and to his work family at Cannon Memorial ER. Rest in peace my friend.*
