“ Some people are just naturally Larger Than Life...Daisy was one of those people. There was never a time we can remember when Daisy couldn't put a smile on your face the moment he spoke...so many memories of Daisy's storytelling and man could he tell one! It broke our hearts when we received the news Sunday night of his passing, but we take comfort in knowing beyond a shadow of a doubt that Daisy is in such a better place than this old world and are hopeful that his family is taking comfort in that as well - knowing for certain that he was welcomed home into The Open Arms of Our Precious Lord. We feel sure by now that he has everyone in Heaven laughing with one of his tales and has probably already rustled up a card game in some "Golden Corner". We miss you already - Oconee County has lost one of it's finest for sure. The Family will remain a constant in our thought and prayers. Much Love to you Always Daisy - Kirby D. and Debbie Land

“ Always remember, those we love, don't go away. They walk beside us every day, unseen, unheard, but always near, still loved, still missed and very dear.

May the peace which comes from the memories of loved shared, comfort you all now and in the days ahead. Our thoughts and prayers are with you and your family during this difficult time.

“ Daisy was one of a kind. He loved his boys, fun, laughter, and a loyal member of the class of '59. His stories made you laugh until you cried. Music always found its way in and he would entertain for hours. Mockingbird always requested he sing "Blue Ridge" and I know Daisy is enjoying their beauty today as he will always be a part of them.

“ *Daisy was larger than life to us younger guys. He could sing, cook and tell a story with the best, but if you ever had the pleasure of watching him shoot pool you will never forget it. He could make pool balls do the seemingly impossible and make shots you'd just couldn't believe. He was so good he wasn't allowed in county tournaments. One guy said no wonder he makes every shot, he's always straight in line. Harder than most can imagine to do that. Oconee has lost a legend. RIP Daisy.*
