“ *I've known David since the 6th grade, and I can think of nothing but good memories when he was around. Some would mistake him for a quiet guy, but once you really get to know him he was far from it. Always bringing a smile, and life to every situation, David will be greatly missed.*

“ David was special to our whole family. Our guys loved to camp, hike, kayak (which we thank Olson for suggesting we get our guys kayaks for Christmas), golf, have a bonfire, work, and just hangout. David was always friendly with a big smile. Our guys and David met in 7th grade and have been friends ever since. We will all miss David very much. Actually it's so hard to put the grief we feel into words. Thankfully because of Jesus and his sacrificial death for our sins, we have the hope that David is now in heaven with our Lord and Savior. We have the hope of seeing David again one day. Our love and prayers are with the Mercado family. May the Lord comfort you and give you the peace that surpasses our understanding.

Love & prayers,
