“ We are very sorry to hear about David. David became a forever friend when our family met him and his dad a few years ago when they did some work on our land. His personality shined with kindness and was a hard worker. He will be missed by many that got the honor of knowing him and being his friend. May his wife and children and his entire family find comfort through Jesus during this very difficult time. You are in our thoughts and prayers.

“*David Vaughn taught me so much about so many things. He taught me about trees; how to care for them, trim them, and cut them down if necessary. He also taught me about work ethic and punctuality. And he taught me about trust. When David worked at my house we worked together. I trusted him not to drop a limb on my head and he trusted me to clear below him, to watch out for his safety, and to lower him down the tree when he had to come down for a break. I will miss seeing David but I will always, always remember the fun we had working our rear ends off out behind my house. I will never forget your face David or the impact you had on my life. Keep a place for me up there buddy!! I'll bring my Poulan (he always called it a Poohlan) and I'm sure you'll have your Sithl.*”
