“ Diane - so sorry to learn this. Dean was a fine friend growing up who was more like my brother than my friend all during school. He spent more time at my house than at his own - lots of times.

Not sure if you knew, but I lost Vonnie last year on May 30th. When you get time, please give me a call. Would love to catch up at your convenience.

“ My sympathy for all of Deans family, I remember Dean as a close friend of my uncle Paul back in the early 60's, he would come to my grandmothers house and they would play cards and have a great time back then. I was about 6 years younger but remember he was a joy to be around. I am beyond sad to hear of his passing. My prayers, love and sympathy to you all.
