“ *Debbie was always a "bright light" during our years as co-workers at Engelhard - Seneca. She was also a prayer warrior and we often shared concerns about our family and our other co-workers. She was a very hard worker and had a great work ethic which she attempted to pass along to younger employees. Prayers of peace, comfort, and encouragement are extended to her family and friends. I look forward to seeing her again...*

“ We grew up with Debbie and her family in Richland. Beverly and I stayed at their house or them at ours pretty much all the time. Debbie was always a very kind, mild mannered person who was a joy to be around. We have many fond memories of Debbie, Steve, Peggy, Bill and Ovis. I know that Debbie has missed all of her family for many years. Rest peacefully until you have the chance to see them all again our childhood friend. We will miss seeing you. Our heart goes out to Shannon and her brother for they have lost their dear sweet mother and will miss her terribly. Beverly and Debbie Pressley

“ *Debbie was a wonderful friend and co-worker. I miss her infectious laugh and caring spirit. Even when she was going through tough times herself, she always showed care and love for others. While Debbie was out on sick leave with breast cancer, she insisted I come by and get a donation for the March of Dimes campaign at work. Truly a sweet lady!*

Mrs Deb was a great help to me when I started at BASF in the lab. Had the patience of a saint and encouraged me thru the whole process. We became close friends and she always had a kind word of encouragement for everyone. I always told her I loved her at the end of every telephone call when I left her side last night. I told her love you and that I needed lottery numbers. That was always our way out of the lab... Fly high my friend till we meet again. I know Jesus had the coffee on for you this morning.

Beverly and I are so sorry to hear about the passing of Debbie. We grew up with Debbie, Peggy and Steve in the big town of Richland. We pretty much lived at their house or them at ours. Debbie was always quiet and soft spoken but very loving and kind. We will never forget Bill, Ovis, Steve, Peggy and Debbie our childhood second family. We kept up with them all through the years and will miss seeing Debbie's warm friendly face but will carry all the wonderful memories with us as long as we live. Our hearts go out to Shannon, Christian, Dale and all the extended Family. Debbie and Beverly Pressley.
