“ *Angie, Joel, and Cody,  
I am so sorry for your loss. Debbie was a special person with a kind heart. Unfortunately, I know how difficult it is to lose a parent, especially at such a young age. My thoughts and prayers are with you. However, it does make me smile when I think of her reunion with my dad and our grandparents! I hope that brings you comfort as well.*

“ *Angie, Cody & Stella,  
Debbie was a precious friend, who had a very special smile. She will be missed at Mountain Rest Church and community. There are no words to ease your pain so Jim & I are offering a silent prayer that the Lord will draw you near and comfort you in the tender way that only He can during this time of your life.

*Cody, I haven't seen you or your Mom for a long time, but have such fond memories of you both... There are no words of comfort when you lose your Mom except to know that she's not suffering anymore and better yet, that she's at home with her Lord and at peace. Know that you and your family are so in my thoughts and prayers. Love to you all,
