“ *Prayers for Tommy, Jared, Emily and family for the lost of Debbie. We were friends in school. We kinda hung out together back then. Debbie was interested in Tommy. She knew I grew up with him. She wanted to go out with him. She would ask me everything I knew about him. She finally got a date with him and that was all history. I loved Debbie. Such a sweet and caring girl. I was excited to reconnect with her on FB after many years of not being in touch. What a loss for us all.*
