“ I am saddened deeply about the new of my dear sweet friend, sister, my "Wonder Woman. I seen it when my other sister Cathy post about her passing and to see a comment to me that she had gained her angle wings. It took me to now to speak it out loud. I don't need to tell she will be missed because you will know the void that she will leave behind. However, I am going to tell you I have and will continue to pray for the family that GOD to keep you all under his cloak of protection during your time of need as well as the days, week, months ahead.

Your friend and sister in Christ,
