“ *Although I never met Mr. Chapman, I know he must have been a good man because I do know some family members and they are wonderful people. I taught Sylvester in 3rd grade at South Pine Street Elementary School and met Mrs. Bobbie at that time. Also, knowing Priscilla and some of her children is proof positive of their obedience to our loving Lord and their dedication to family. We extend to his family and friends our sympathy in the passing of Mr. Chapman.*
