“ *So many memories in life for me contain Auntie Barbara & Uncle Denny. Visits to Florida, Harbor Springs, & their many visits to Michigan. The funny fishing stories, millions of times watching The Hunt for Red October, many quilting shops & sewing projects. The friendship mom & dad have shared with you over the many, many years has been one of family. Your sense of humor, laugh, & smile will forever be in our hearts. I love you & will forever be missed. - Kim* 💔

“ I cherish my carving from Denny, but most of all the many memories of time spent together in Harbor Springs. Trains, Cherry pies and your warm loving home. Such a gentle man with a ton of courage and determination to get the most out of each day. Rest in Peace dear man.
