“ *My deepest condolences go out to you and your family for your great loss of Dennis. It can be hard to find comfort in times like these. One thing that has personally brought me comfort is a verse found in God's word the Bible at Isaiah 25:8 where it says that God "will swallow up death forever" and "will wipe away the tears from all faces". May the hope God gives of a future resurrection bring you comfort too! My heart goes out to your family.*

“ *I am saddened to hear of the death of Dennis and my sympathy is with the family. Dennis was already working at ONS when I began my career. His shift was my first and Dennis helped me thru those early times. Ron Strickland*

“ *Dear Masteller Family,*

*I worked with Dennis for almost 30 years at Oconee Nuclear in Operations and then in Operations Support. He always had a way to make conversations "interesting". I wish I had a bowl of his infamous Taco Soup right now. Farewell, old comrade, your shift is over.*
