“ *Dennis was always like another Dad to me, along with Janet!!! I spent many, many hours at their home growing up. Andrea and I were best friends during our younger years and continue to connect, when we can!! Sue was the big sister I never had. I thank God for bringing this amazing family into my life. My heart breaks that I can't be with them during this difficult time as traveling to SC from Michigan just isn't an option right now :( Dennis I loved you and always will!!! So many great memories are flooding over me right now!!! Please watch over those of us left behind, especially your wonderful wife and children!!! R.I.P. Daddy Moriarty!!!*
