“ *So sorry for your family's loss. He was a friend of my dad's back from long ago during his WPS days. We didn't know he had passed till today.*

“ *I'm heartbroken about Dennis passing. I always called him "Waldo." I met him at WPS in Clemson. He knew my mom and dad. He taught me how to drive a tow-motor/forklift. He ran the job on evenings, and he on nights. Over the years, he always called to stay in touch. I knew he was in poor health, and knew he had been in and out of the hospital over the past couple of years. My own father passed, and the last time I talked with him, was when he was in the hospital. I guess about 6 weeks ago. I just found out today Dennis had passed. He was a wonderful man, and he always stayed in touch. I will always remember him as a wonderful person and friend. RIH Dennis. You will be missed. 🙏❤️*
