We are so very sad and sorry for all of you and know how much you will miss your Dad. You must however, know that he no longer suffers and is in a better place. God love you all and give you the strength to carry on with your lives, though at times it will be difficult. We love you all.

*Thinking of Dad today on his birthday, he was so very much loved by all those that knew him. I cherish the time I spent caring for him from January 2017 to the day he met our Loving God and went Home on April 29, 2018. He was a precious loving and kind hearted man. I am so honored to be his daughter. I love you Dad forevermore!
