“ *To the family of Diana Hunter,
I am so very sorry to hear of this loss. Diana was such a very sweet and caring person. I worked with Diana and James M. Brown Elementary School. Until I had my car accident in 2003 and she was so very kind. She came to the hospital and brought me a book and some nice gifts. Most of all I remember her sweet words of encouragement. I just have found out about her passing. I am so sorry for your loss and I pray God will give you strength in this very difficult time.*

Sincerely,

Dianne###imported-begin###Dianne Reid###imported-end###

“ *Diana entered our lives through, a mutual interest, bowling. Through bowling we traveled with John and Diana extensively. I (Jaye) have traveled individually with Diana and learned that we shared another passion. Dancing... We could be found singing and dancing to everytihing from Motown to Country Western. From SC all the way to Reno, NV.*

One memorable event was attending a Rascal Flatts concert at the Upperstate Fair.

She was a caring, supportive, compassionate, generous friend. One that we will truly miss.

We are glad to know that she is once again, with the love of her life, Tonto. They both fought cancer so bravely. An inspiration to us all.

To her family - it was a pleasure getting to know each and everyone of you through her. You too are delightful!

Just know that our thoughts and prayers are with each of you.

God Bless.##imported-begin##Allen and Jaye Jones##imported-end##

“ *Dale and I wish that we could be there for Diana's service, but obligations will keep us in Tallahassee. Our thoughts and prayers go out to your family during this difficult time. We shared many fun times at various bowling centers with Tonto and Diana. May you find comfort in knowing that she is no longer suffering and that they are together once again.##imported-begin##Dale and Lou Capps##imported-end##*

“ I am so sorry to learn of Diana's death and I want to express my condolences to her wonderful, caring family.

John and Diana were my neighbors in Beaver Lake and extended a genuine hand of friendship to me when I moved there. I so enjoyed them - both John and Diana were so full of life and fun. Diana was instrumental in 'getting me moving' again when I started walking with her at Sertoma Field in Walhalla. I so enjoyed her company and our many conversations. She was such a positive person, determined to life life to the fullest no matter what.

Both she and John were so strong and positive in each of their struggles with cancer. The world has lost two very special people. My heart is heavy as I am sure your's is also.
