“ *He was one of the finest men I have ever known. I spent most weekends at his home, and our bond was built on mutual love and respect. In recent years, I had the honor of being his personal barber, with Eliza often helping me cut his hair. I take comfort in knowing that he and Papa Addis are together again—fishing, laughing, and hunting. I will miss him every day of my life and remain deeply grateful for the life lessons he instilled in us boys.*
