“ *Uncle Don was my Dad's only brother. My Dad died when I was 7 and my brother was only 4 years old. Although we lived in Indiana and Don lived in Detroit we were able to get together a few times each year. Uncle Don was definitely the "fun" uncle who would drive all the kids to the destinations. He would let us take turns "driving" by sitting on his lap and steering. He was the life of the party and made all our events "parties". From reading the other tributes it appears he kept that part of his character his entire life. I have many happy memories of Uncle Don and my cousins Libby and John. Mary Lee, I am praying for you and your family. I am so glad I got to meet you and that you shared many years of love and happiness with Uncle Don. Blessings to you all, Jayne Davis Dewire*

“ *I only ever had one uncle in my life. I have many fond memories of my Uncle Don. He was a person that could always make me laugh and smile. Whenever I spent time with him, I knew I was going to have fun. I am sorry that I had lost touch with him over the past few years and I sure wish that I could hear from and know my only two cousins sometime again in my lifetime. My thoughts and prayers are with you Mary Lee and other members of the family. Sincerely, Jay Raymond Davis, Kokomo, Indiana.*

“ I was fortunate enough to be able to exercise in the water next to Don. His comments were always a scream! I loved his hats, there seemed to be one for everywhere he and Mary Lee have been. I remember when he helped a friend in the water who had Alzheimer's and needed a companion so that his wife could play tennis. I surely miss seeing him and the laughter that he brought to us. My sympathy to his entire family. Ann Coogler

“ Papa was the most amazing man I know. He was my first friend and the first man in my life. I have looked up to him my whole entire life and am so honored to have had him as my Grandfather. He has taught me to love unconditionally and always made me laugh and smile. He was the most kind and generous man and I love him more than anything. I know that he will always be with us in spirit and I will forever smile every time I think of him. RIP Papa; I love you more than I can express in words.
