“ *Donnie and I were good friends in school and after we finished school. We spent a lot of time out loafing together. I guess life took us in different directions. I moved to Pickens County and I guess he moved to Georgia. I thought of him often. He was a loyal friend. Even though I never met the family, my thoughts are with you, and you are in my prayers.*

“ My mom and dad were very close with Donnie and Susan while I was growing up. I spent a lot of time at their house and farm as a youngin. Many very fond memories were made. Donnie taught me how to collect eggs from the chickens and I learned the hard way to stay away from that mean ole rooster! Susan, Sylva, and Frank, I am so sorry for your loss. Donnie was a good man. I will be sending many prayers and thoughts to your family!
