“ On behalf of the Board of Advisors, Staff and Members of Clemson OLLI, we are grateful for the leadership and diligence of Don as one of the founding members of the Clemson branch of the Osher Lifelong Learning Institute. It was a difficult challenge twenty years ago when Don and his friends started the ball rolling for what has become one of the premier institutes at Clemson University, having qualified, under Don's leadership for the \$2 million grant from the Osher Foundation that sustains OLLI to this day. He will be long remembered as one of the best!
