“ Judy
I know you know how I feel. Don was my best friend & a brother to me. He was the kind of friend you could call in the dead of night and ask for help. He would be over before you hung up the phone. He was a little wild, a little crazy, very giving & loving. I could go on but I will just close by saying, Don, I will see you later.

“ Judy: We met you and Don through Patti and Vernon in Tennessee 2 years ago. Patti got sick and you and your husband were kind enough to come pick her up and take her home with you. I told my husband that those are great friends. They speak of you often and always with kind words. We are so sorry for your loss. Please know you are in our thoughts and prayers. ##imported-begin## JC & Pamela Hernandez ##imported-end##
