“ *May you find the courage to face tomorrow in the love that surrounds you today. At this time of sorrow may these truths sustain you.....your loved one will always be as close as a memory and the God of all comfort is always as close as a prayer. It will be the little things that you will remember the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memory of these little things that help to push away the pain and bring the smiles back again. I have fought the fine fight, I have run the course to the finish-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me-Psalms 3:5. Magallon Family*

“ Don was my favorite brother-in-law and always there for me and Cretta has always been there for me too. Cretta and Don never turned me down when I needed them which was often in our younger days.

*I can remember Don and I walking home together from the mill when he worked part-time there. He was a good man.*

*Sorry for your loss. Love you all.*

“ I'm praying for all of you. I loved Uncle Don and he was such a good man. I have fond memories of him from my childhood and he was such a good cook! I remember him cooking up breakfast for us kids on Saturday mornings. He will always hold a special place in my heart.

*May God help you get through this difficult time.*
