“ *My most beloved grandfather 💕 No matter how down in the dumps I was you always had the right stuff to say to cheer me up. You always showed me love regardless of my struggles. When I felt unaccepted you took me in with open arms. When I felt unloved you showed me the love I ever so needed. When I was discouraged you reminded me who I was a descendant of and the powers and capabilities that our human minds are capable of, and because of that I soared. You would always end you letters to me with "Speak it into existence" and I took it to heart and practice it in my everyday life. You have impacted our family in the most profound way. We will not be the same without you... You are the glue that holds this family together. I love you so very much!! Fly high Papa, enjoy eternity with your heavenly father. I will see you "soon". -Zahkariah Schneider*
