“ *Ladale, I had the wonderful pleasure of assisting Mr. Vaughn at Seneca Health & Rehabilitation over the last 2 weeks. He was a very nice person, and sincere. We had a long conversation the other day that I will keep with me for the rest of my life. He profoundly affected me in such a great manner & I will miss him. We talked a while about what all he would do when he left Seneca Health & Rehab. I know that I wil miss him & family & friends will miss him greatly. I have comfort in reading his obituary that he is in a better place. My prayers & thoughts are with you and your family! God Bless!###imported-begin##Adriane Wood###imported-end##*

“ Donny was one of the best friends I ever had. We did A LOT together. I drove him around whenever he needed it, he came to my kids birthday parties, we saw Rascel Flats, he went to the beach with us and he let us stay in his apartment when we visited from Kansas. He was an amazing person. He was always upbeat and positive no matter how sick he was or what was going on in his life. I will greatly miss that deep, sexy voice of his and him singing with like EVERY song that came on the radio. Although I will miss him terribly, he is with his parents which is where he would rather be. I love you Donny and I will NEVER forget you and all the great times we had!##imported-begin##Jennifer L.
