“ I am saddened to hear of Jean's passing. She and I grew up together at Seneca Baptist, went to school in Seneca together (she's was a year younger than me), and even were at Winthrop together. She was always a sweet person and I have fond memories of her. My condolences to her family.

“ Jean's dedication to family as well as her students at Ravenel is one of my most vivid memories of her. As 'special teachers' we spent team-time together and I always looked forward to brainstorming with Jean. I will always think of her when I hear a child playing a recorder. To her family - grieve her absence but celebrate the wonderful memories you have in your heart.
