“ I can't help but to share an event where Donnie was at my parents house helping my dad & another friend put in new flooring in their kitchen. Donnie had fixed one leaky pipe then sat back & another spot popped spraying water on his face. His sputtering had us all laughing while he was trying to tell my dad to turn the water back off.

Donnie always had a smile or joke to share & he will be missed.

“ When Donnie's nephew Gary Lee and I first started going together and I met the family Donnie was one of the most friendly, accepting people I know. He accepted me into the family immediately. He had a wonderful personality and always had a funny story to tell. When Gary had to have heart surgery Donnie and his brother Bob stayed at the hospital and didn't leave until they knew Gary was going to be ok. He was a loving wonderful uncle and anyone that met him would have had to love him. He will be dearly missed by family and friends for sure. We love you and will miss you Uncle Donnie. May you rest in peace.
