“ Jena, although you don't know me, my thoughts and prayers are with you and your young daughter. I may not remember your face, but I will always remember your heartfelt plea "to do something". I know you will find comfort in your loving memories. And also know that God does not put more on us than we can bare. Please do all you can to take of yourself and watch your little girl grow up into a beautiful women. May God bless your entire family during these difficult times.

With love,

“ Donnie Ray,
I'm here writing this because I just don't know how else to cope, maybe expressing my feelings into words will make it a little easy, God willing. You were the love of a lifetime, MY love of a lifetime, it took forever to find you, and our journey was for some reason cut short. As unfair as that is to me and our beautiful baby girl Maddy, I know that you always knew how much you meant to me. You weren't just my husband, you were my soul mate, my best friend, my security, and until we had our baby, you were my reason for living and waking up each day. I know you are gone now, and I will see you again someday, I have comfort knowing that you are my own personal guardian angel, as well as Maddy's, as you always promised us you would keep us safe. I love you Donnie Ray, with every ounce in me, and even though this is the hardest thing I have ever had to do, I still have our precious memories. You may be gone but I will NEVER forget you my love. I love you, and may you rest in peace.##imported-begin##Jena' James##imported-end##

“ Dear Jena,

We know how hard this is on you, and we just want you to know we LOVE you dearly and we are here for you. Nobody knows why we are all dealt such bad times in our lives, the GOOD LORD is the only one that can answer that, yet we are not supposed to question his work. But you know we are only human and always need to know WHY? Donnie knows you loved him dearly, as well as the whole world did, so please be strong for that beautiful baby girl, Donnie would want you to.

We Love You.##imported-begin##Aunt Pam and Uncle Tim##imported-end##
