“ *I have so many memories of my precious Mama. She loved everyone and loved her Lord and Saviour. I will treasure the last 4 weeks I was able to stay with her and take care of her. I miss her so much but she's happy now with Jesus and Daddy.*

“ *Many Prayers to the Family. My Family (Morgan's) attended the Church when we were little and Becky would invite me over for Sunday dinner. Mrs. Lee always had her Bible and the sweetest smile.*

“ I treasure the memories of Aunt Fay from my childhood living next door to her and thru her later years. We always knew that we could go in and out her and Uncle Frank’s house anytime and we were treated like one of their children. We had a lot of good times with them and our cousins Frankie, Diane, and Becky who were a few years older than me and my sisters. She was always there in the happy times, mine and Jeff’s wedding, our children’s births, baby showers, 25th wedding anniversary celebration, and any other special event. She and Uncle Frank were also there when we faced a very difficult time with our special needs son Brentley in the ICU at Greenville Memorial Hospital. They made many trips to visit us as we had many long hours and days in the waiting room. When they were not there, we knew they were praying for his recovery which the Lord gave him a few weeks later. Aunt Fay brought me a book for encouragement during that time which I still have and treasure. She will be remembered as a sweet aunt.
