“*Heaven is definitely getting a special angel. This exceptional lady has been in my heart and mind for years, ever since I was in high school. She could make the best sweet potato pie that i have ever had in all of my years. I have tried to duplicate her recipe so many times, .. but just could not get it right. She had been on my mind lately and I had just asked about her last Sunday. She will be missed by so many people. May God Bless and comfort you all.*
