“ To Bob and family, That is a great picture of you two. Annette and I have wonderful memories of the fireside gatherings on lake Keowee. I particularly remember when Doreen made the candle using empty wine bottles. She called it a random act of kindness. You are in our thoughts and prayers during these difficult days. May Doreen rest in peace.

“ *My mom was the most funny, and goofiest people I knew growing up. Her favorite thing was making people laugh. She loved to sing and enjoyed big band, Barbara's Streisand and Ella Fitzgerald. I remember her and my dad loved dancing to big band music as well. She was extremely bright and quick witted, hated housework and cooking and used her brilliance to get my dad to do all that HAHA. She wanted the best for all us kids. She was also a very outspoken activist for women's rights and just about every injustice she saw able to put time towards. She worked for time magazine in Old Lyme for several years and even back then was a trail blazer for women's independence. She was my first example of what a strong courageous women looks like. I am who I am because of who she was. You are the best momma and I always love you to the moon. <3*
