“ I knew Aunt Doris from my visits to Chad's grandmother Mellie Duncan. When I joined the family 18 years ago, Aunt Doris was very warm and welcoming. It was always a treat for me to see her. She would tell me stories about the Grant's for two hours straight - laughing the whole time. She had a wonderful laugh that seemed to spill out from her very soul and eyes that twinkled with mischief. I often wondered if she and Chad's grandmother didn't elaborate those stories just a bit to make them better for the telling.

*My memories of her are precious. I am so sorry for your loss. She was very special.*

“ Dear Larry, Ellen, & Patrick:

*I have always thought the world of Miss Doris. She taught me as a young child in the "Sunbeams" class at Rocky Knoll Baptist Church. She made bardie doll clothes for my barbie doll and she also made the best french toast I have ever eaten! She was such a shining example of the love of Christ and meant so much to so many! I am so blessed to have known her. May our Heavenly Father comfort you as only he can! My thoughts and prayers are with you. God Bless!##imported-begin##Elaine Moody Breedlove##imported-end##*
