“ *Aunt Dorothy was a real life Steel Magnolia. She was kind, gentle, loving, and feminine yet had profound strength to overcome whatever obstacles life sent her way. She was one of the most talented individuals I have ever known (baking, crafting, gardening, etc.). Not a lazy bone in her body! She was an inspiration to future generations and will be greatly missed.*

“ Uncle Marvin, Jerry, Becky, Julia and the entire family, our hearts go out to you in the loss of Aunt Dot. She was a wonderful cook, cake decorator, knitter, etc.--I believe she could do anything she put her mind to learning. She proved that over and over again with her careers. It is comforting to know she is now with her Lord and Savior, and we'll see her again very soon!
