“ Doug I will always remember how good you were to me after the death of my husband. As strange as it may seem, I saw your face flash before me this past week & if it had not been for this Coronavirus I would have tried to visit you. You were very kind to me & always make sure I traded vehicles when needed & got a good vehicle. You treated me with kindness, made sure my vehicle was OK. I have been back at Edwards Auto for tune-ups & even bought that Navigator after you left. With loving kindness I will say good-bye for now.
