“ So sorry to hear of your loss. Randy and I grew up together, and had some wonderful times.
We did some fun and dumb things together.
We raced our cars on Oconee Creek Road not aware of the dangers in doing so.
We went trick or treating together and did play some stupid and dumb tricks.
Randolph Holcomb was a good man and a good friend. He will be missed!!

“ *When we was growing up we lived down a dirt road from each other, I grew up right behind the #2 Church of God and his sister June, Carolyn, Brother Bill and himself would play in a deep red gully next to their house. We all went to #2 Church of God and went to Oconee Creek school. We later transferred to Keowee and stayed there until we graduated in 1961. I married before we graduated but continued school, Didn't see him until I started to work at Sagamo, West Union we worked in what was called the cage repairing transformers, I already had 2 little boys then and he was single. Saw him and his wife a couple years ago at my sister-in-laws funeral as he was her Deacon at Ebenezer Baptist West Union. It feels like I lost a brother and I did in Christ. May God be with his family it is so hard I had 9 siblings and have lost all of them. It's lonely.*
