“ Ed was like a big brother to me. We were chatting in October and this is what he said, "When it's my time I will die at the coast, but I will be laid to rest on that mountain. On my tomb stone will be the usual stuff, but the one thing that will be at the bottom " What a ride!" I just want people to see that and smile." You always made me chuckle and smile! Love you bro! Rest high on that mountain!
