

Dr. Donald Fisher

March 21, 1923 - January 31, 2009

Dr. Donald Ernst Fisher, of 102 Lura Lane, Walhalla, SC, husband of Barbara Talbott Fisher, passed away Saturday, January 31, 2009, following a brief illness.

Dr. Fisher, a graduate of the University of the Maryland School of Medicine and the Johns Hopkins School of Public Health, practiced medicine for forty years. An accomplished musician and woodworker, he was never a “rich doctor”. A humble man, he preferred the company of the everyday working man, the watermen and boat builders in Maryland and the farmers in Virginia. He was honorable and compassionate, and treated everyone with kindness and respect.

In addition to his wife of sixty years, Dr. Fisher is survived by daughters Katherine and Dorothy, a grandson, Ryan Saulnier, their spouses, and two great grandsons, Steven and Jacob Saulnier.

No formal services are planned at this time.

In lieu of flowers, memorials may be made to the charity of ones choice.
