“ I worked side by side with Joe at the unemployment office there in Seneca for about a year. He always had a smile and we shared laughter together with his cute jokes. He was a kind man and just finding this out. My condolences to the family and friends. Rita Davis

“ My mama and Joe were good friends. Their friendship lasted a long time after high school. I hope my high school friends last like that. I started thinking about Joe last week and asked mama if she had talked to him. I also knew him from the employment office. He was great at his job and fun too! RIP Joe. I am so sorry for the family. I will be praying for you through the days ahead.

“ So much more could be said about Joe. He worked at the Unemployment office and always wanted to make sure the Veterans were taking care of. He was a friend to everyone. He looked out for his neighborhood and if something needed fixing he knew the right person to call. He will be missed for sure.
